# From Cub to Tiger

The Safari theme for 1967, From Cub to Tiger, resulted from the expansion of DuVal. But it is not only concerned with the growth of the school's buildings; it is representative of each student's progress from a Sophomore Cub to a Senior Tiger. While DuVal expands outwardly to meet our physical demands, so the inner core of faculty and activities expand to challenge and mature us, to broaden our horizons. These processes at DuVal produce from today's student tomorrow's well-rounded, responsible citizen: From a Cub to a Tiger.

DuVal High School, 1960. The Cub's growth began in a rustic environment!

## DuVal High School

Like everything else DuVal Senior High is expanding. Knowledge, talent, wider interests and an overall improvement accompany this expansion. From this graduating class of '67 on, DuValians can truly say, "We are TIGERS!"

DuVal High School, 1966. The Tiger is urbanized.

WORKMEN STRIVE TO FINISH NEW WING BEFORE YEAR ENDS

A VIEW THAT THE STUDENTS OF 1970 WILL NEVER SEE

A FIRST STEP IN THE GROWTH OF DUVAL SENIOR HIGH

Superintendent of Schools William S. Schmidt was the speaker at the dedication of the Powder Mill Elementary School on November 30. Mr. Schmidt is shown with two of the sixth grade pupils who participated in the program and the principal of the school, Mrs. Guinevere Anderson.

## Mr. Schmidt

### TO THE STUDENTS:

It is a pleasure to have this opportunity to greet the students of DuVal Senior High School and offer congratulations to the members of the Class of 1967.

As this school year draws to a close, you will, undoubtedly, want to review the progress you have made and the possibilities for further education and training in terms of the plans for your future career. Whatever your ultimate success may be, you well know that it will depend to a great degree upon the integrity with which you perform your individual responsibilities and your acceptance of certain obligations to your fellowman. The world abounds with opportunities but success may be elusive unless you are willing to accept the necessary discipline, complete preliminary study and training, and face the challenges that make each day exciting and rewarding through honest and patient effort.

May I encourage each of you to meet with understanding the challenges of each day, with each tomorrow bringing you closer to the realization of your most worthy ambitions for yourself and your fellowman.

Sincerely yours,

*William S. Schmidt*

## Mr. Chase

TO THE CLASS OF 1967

More than ever in the history of our country we find ourselves charged with the responsibility and duty to preserve our democratic way of life.

As man journeys through the various phases of his continued existence, he comes to realize that as a human race, we can be brilliant in mind and still be brutish and cruel.

The world today is in a state of disrepair. Man's faith in himself is being severely tested.

Man has the capabilities of learning from the past, to take heed of the present and prepare for the future.

To preserve our democratic way of life, we must learn to recognize the dignity of the individual. One does not have to agree with another in order to keep from hurting him. But by recognizing the dignity of the individual, disagreement can occur without harm to either party.

The human race is not quite what it should be. But the human race possesses the possibilities of becoming what we would prefer it to be.

Let us become truly responsible individuals and by respecting the dignity of others.

Sincerely,

*Daniel F. Chase, Jr.*

Mr. Daniel F. Chase, Jr.  
Principal

P.T.A. officers L to R: Mr. Daniel Chase, Principal; Mrs. Eloise Hall, Rec. Sec.; Mr. George Gerth, President; Mrs. Peggy Thornberry, Corr. Sec.; Mr. Wallace Winkler, Treasurer; Mrs. Betty Lou Bryant, Historian; Mrs. Annamarie Beveridge, First V.P.; Mr. Vincent Straface, Second V.P.

## P.T.A.

The P.T.A. is a very important function at DuVal High School. It provides a working coordination between the parents and the teachers.

Helpful information is given to the students and their parents throughout the school year with their meetings. The parents have a splendid opportunity to meet the teachers on 'Back to School Night' and attend classes to a similar schedule as the students. The incoming sophomores learn about the school in the 'Feeder School Orientation' meeting. The P.T.A. provides facilities for the Senior, Junior and Spanish Club bake sales and the Home Economics Fashion Show.

Miss Vranas talks to Mrs. Fowler on Back to School Night.

# In Appreciation For Their Services

Due to the devotion and dedication of Mrs. Grace Grant, Mr. John Seaton, and Mr. Edward Scott, who have been here since the opening of the school, DuVal Senior High School has prospered greatly. Since these three teachers are so much a part of DuVal, we hope, by dedicating the 1967 yearbook to them, we can show how much we have them at heart

## Mrs. Grace Grant

In Mrs. Grant's first year she co-sponsored the National Honor Society. She also has been head of the school supply store for a number of years. At present and as in the past, she has been head of the Math Department. Perhaps to us what is most important, she has been an excellent math teacher

## Mr. John Seaton

Mr. Seaton started at DuVal in the fall of 1960 when the school opened. He had a break of service for one year to do graduate work at Boston University. During the years he has been here at DuVal, he has been coach of the J.V. baseball team and Business Manager for ticket sales. The most important to us Seniors, however, is that he is Chairman of the Senior Class sponsors

## Mr. Edward Scott

Over the years Mr. Scott has been sponsor of the Physics Chemistry Club, coordinator of the DuVal Science Fair, and coordinator to the County Science Fair. He has been head of the Duval Science Department and is now head of the Physics Chemistry and Audio Visual Departments. As Mr. Scott would say "you can't get something for nothing, so get working!"

Without the Administration, DuVal would not be the school it is today. In fact, DuVal would have a hard time even existing if Mr. Chase, Mr. Parry, Mr. Smith, and Mrs. Beveridge were not there to keep everything running smoothly.

Mr. Chase, DuVal's Principal, is responsible for the overall supervision of the school. Now he has the extra duty of planning the expansion program. One of his more important responsibilities is being our school's representative on both state and local levels.

Mr. Smith heads the Guidance Department and it is his duty to make the master schedule for all subjects. The purchasing of all textbooks and equipment also comes under his supervision.

Mr. Parry serves as attendance and discipline coordinator. Also under his guidance are building and grounds supervision.

Mr. Theodore Lewis, DuVal's new fourth Vice-principal, was formerly a biology teacher and coach. His duties include supervision of the hallways and buses. He also is responsible for attendance, direction of the cafeteria, social events and discipline.

Responsible for all student activities is Mrs. Beveridge. She has the monumental task of planning the club program, the games, the public address system, the P.A. program and supervising all school publicity.

Together they make up the Administration of DuVal. We hope that with the expansion of DuVal they will continue making our school a finer educational institution.

You think it's funny now, wait till I see you when I'm 70.

Mr. Lewis tracks down his books.

# Guidance Department

Existing for the benefit of DuVal's students, the Guidance Department is available to any student seeking advice or aid.

For sophomores, the department helps them get acquainted with all that the school has to offer while readying them for two more years at DuVal.

For juniors, the counselors continue their accurate and complete records of every student's scholastic and extracurricular progress. They also help students in choosing the schedule which best suits their needs and talents.

For seniors, the guidance offers assistance in the selection of and application to appropriate colleges. The counselors keep students informed about college examinations and representatives while supplying booklets and catalogues about colleges. The department also sponsors the highly successful "College Night" for interested students and parents.

A vocational counselor has been added this year to supply our students' needs for locating jobs.

DuVal's students are indeed fortunate in having such a capable Guidance Department behind them.

# English Department

English, the largest and most important department at DuVal, is the basis for high school curriculum. Sophomores are introduced to World Literature, Juniors are exposed to American Literature while the Senior English course centers around British Literature. Yet these are only the beginning, only the basic survey courses. A review of modern grammar concepts and usages is presented and all derive their material from the literature courses.

Designed for students with creative writing abilities, Advanced Composition emphasizes expository writing and a logical thought process. An introductory journalism course prepares students for creative work on either The DuValian the school paper, the literary magazine, or the Safari yearbook

Selected students attended a series of six evening seminars during the year. These seminars proved to be a opportunity for attending lectures and discussions led by recognized scholars, authors, and others well versed in topics of interest to the student.

# Social Studies Department

The cultural and historical backgrounds of mankind are studied in World History. This course attempts to deal with the problems and events of the past that have shaped the present and could influence the future. It attempts to bring about a fuller understanding of our own cultural and historical heritage.

"From past to present" is the field covered by American History. This course is a greater supplement to earlier courses in its attempt to cover our background in greater depth. It associates the events in the past that now shape our present course and that will continue to shape it in the future. Problems of Democracy attempts to give us insight into our government and the means by which it operates. In World Geography the physical aspects of a country's development are covered. This gives a greater understanding of physical problems encountered in a country's development.

An elementary course in Psychology is offered to Seniors, which aids the students in understanding themselves and others. The entire history program offers valuable courses for students entering any field.

# Science Department

The Science Department, in offering so many good courses, is able to broaden the student's knowledge of general principles and urges the students to explore new and unlimited fields. Biology, the study of living things, starts the sophomore program. Advanced Biology, Chemistry, Physics, and Physical Science are the courses offered to Juniors and Seniors. In the classroom, demonstrations and audio-visual materials are used in conjunction with a limited amount of individual laboratory experience.

Under the supervision of Commander Scott, DuVal also offers to the more capable students a double period of either Chemistry or Physics. Openings for lab assistants also provide students with more experience in laboratory techniques.

# Math Department

The Math Department has as its goal curricular offerings such that every student interested in Mathematics may find a course to suit his needs. By offering such courses as Algebra, Geometry, Trig and Math Analysis, Business Math, College Algebra and Probability, and Calculus, the teachers try to prepare math students so that they are able to solve problems based on an understanding of basic concepts and structure of mathematics.

The Math Department has been and is expanding to include College Algebra and Probability, new this year. Advanced Placement Calculus is now being offered to qualified Seniors. This course enables students who do well on a special exam to receive college credits in Calculus.

To enable students to speak, understand, read and write another language is the goal of the Foreign Language Department at DuVal. Extensive courses in Spanish, French, German, and Latin are offered. As students become familiar with a foreign language, teachers strive to promote interest in and understanding of, not only the language, but also the culture of the country.

This year two new societies, the Spanish Honor Society and the French Honor Society, were established at DuVal. To be eligible for membership, a student must have a superior grade average in his language classes while maintaining an overall standing of "B" or better. The language clubs only limit their membership to students taking a language, and student participation is very high.

# Business Education Department

The Senior High school program provides training for those students who will seek employment in business and other professional fields upon graduation. DuVal offers its students courses in everything from typing and shorthand to book keeping. These provide basic skills. Business Math, Law and Economics, and Salesmanship courses develop other working fundamentals.

DuVal Art Department offers not only excellent and qualified instruction but also various activities which encourage the student to become aware of the art which is a part of their everyday surroundings. Emphasis is placed on individual work rather than formal class, and the artistic-minded students are urged to use creative thinking in developing their own styles.

The Department sponsors various clubs and the Sock and Sweater Hop. The profits made on the Hop was used to buy prints of famous paintings and etchings to be catalogued in the library.

# Music Department

Mrs. Lenore H. Gallagher

Marching Band

The Music Department, numbering over 600 students, is one of the most popular departments at DuVal. This is partly the result of the excellent reputation of all the music groups and partly the result of the enthusiasm of the three teachers—Mrs. Gallagher, Mrs. Shannon, and Mr. Nonnemacher.

There is a music course to suit everyone's taste. Music Theory, Band, Choir, Girls and Mixed Chorus, and General Music are offered as classes. Two groups that meet after school are the Madrigals and the Singers. DuVal's own extremely popular folk music group.

Robert D. [unclear] and John Kl [unclear]

# Home Economics Department

The Home Economic Department curriculum has expanded to acquaint girls with the arts of cooking, sewing, home management, child care, good grooming, home nursing, budgeting and interior decorating. Using the most modern instruction facilities girls are given an opportunity to become skilled in those areas that could prove both useful and profitable to them in the future.

Besides attending classes, the Home Ec. students are often called upon to furnish refreshments for school teas and to serve at school banquets. One of the most delightful department projects is the organization of a play school open to area children. Lucky Senior girls may choose a double-period of Home Ec. to care for these future DuVal Pupils with faculty supervision.

Asst. Rifle Team Coach

Mr. Todd Cropper  
B.A. Colorado State College  
Metal Shop I, II, III

Since so many of today's jobs deal with industry, this department is a valuable asset to those entering the industrial fields. In the various levels of drafting, a student learns to use the tools and becomes familiar with the different fundamentals. Later these skills are applied to the specialty fields, where students study the subject of their choice in depth.

In the wood and metal shops, different levels are again provided as each student works toward his specific interest.

The different industries are stressed, and modern means of application are constantly aiding in new interests. These interests will provide for the new ideas of tomorrow.

Physical Education  
Varsity Basketball Coach  
Asst. Baseball

The Physical Education Department offers courses in individual, dual, and team sports, as well as dance instruction, self-testing and courses in Driver's Education, and First-Aid.

The P.E. program strives to develop DuVal's student body into the physically and mentally sound citizens of tomorrow. While providing activities for physical fitness, it hopes to contribute knowledge and appreciation for the different fields of sports. Spurring knowledge and awareness in each student's ability and field of interest, while developing leadership and fellowship are among its other goals.

A new course in Sports' Appreciation is offered this year by the girl's P.E. Department. Taught by Mrs. Overton, this course is offered only to Juniors and Seniors.

A new club this year is the Gymkana Club. This club is concerned with learning skills involving the trampoline, the vaulting box, the horse and various other pieces of equipment. This club seeks to build over-all coordination.

Driver's Education

One of the most popular courses at DuVal, Driver's Education, is taught to approximately 150 eager participants on a yearly basis. The program consists of thirty hours of classroom instruction, 12 hours of observation in the car, and 6 hours of behind-the-wheel training—all designed to acquaint

"learners" with the Maryland Road Rules and to prepare them for the driving test. Along with related books and films, a special driver training car is used to supplement the driver's knowledge of actual road conditions

# Library

Mrs. Betty L. Bryant  
A.B. University of Alabama  
Ass. Libr.

With approximately 2,000 books added to the collection every year, the library was certainly happy to expand providing students with more floor space for library research. With completion of the library addition, the library now has the following: a faculty reading room; a listening viewing room for students and faculty to preview records, tapes, and films; a conference room where four to six students can converse or work on debate topics; a library classroom that will accommodate forty students; and a reading corner located near the magazines.

These new additions provide more working space while Miss Jandy and other staff members offer to help acquaint the students with library procedure.

Each spring, at the annual art show, student art work is selected for the addition of the permanent art collection in the library.

# Reading And Study Skills

Reading and study skills are a part of a voluntary program which aims to help students improve in these fields. Mr. Eugene Husik holds classes for students having a desire to overcome their obstacles in basic comprehension. # Health Suite

The Health Room, located in the main hall, has an important function—to look after the health of 2600 DuValians. Besides providing a place where medical aid can be given to the sick patient, Mrs. Vincent and her staff keep a personal record of each student's medical history. By sponsoring seeing, hearing, and diabetes tests, the Health Room brings the records up to date while trying to interest students in personal health.

Dietician

DuVal's cafeteria staff has the monumental task of preparing well-balanced meals for a large percentage of the student body and faculty daily. Delicious courses are efficiently planned by DuVal's

dietician, Mrs. Beulah Orsborn.

The staff also provides refreshments, buffets and entire meals for many of DuVal's extracurricular activities.

# Custodial Department

Mr. Louis Richards  
Head Custodian

CUSTODIAL STAFF left to right: Mr. Louis Richards, Larry France, Marvelle Jetter, Jimmy Harrison, Dorothy Jetter, Daniel Hastings, Georgia Pinner, Clarence Thomas, Richard Humphrey, Thomas Kegler, Bob Evans

The details involved in keeping a school the size of DuVal running smoothly and efficiently are vast. Under the supervision of Mr. Louis Richards, these details are attended to by a staff of experienced men and women.

In order to maintain the high standards of cleanliness which DuVal has enjoyed since its initiation, the custodial staff works diligently during the summer and other school holidays as well as when school is in session.

# DuVal "Kindles Now The Light Of Destiny"

DuVal is an educational institution composed of a large faculty and student body combining and coordinating their knowledge, ability, and effort to maintain and improve our society. A variety of course studies have been offered to all students, regardless of their background or future aspirations, in an attempt to broaden their scope of knowledge. It is believed, however, that learning includes more than just a collection of facts. DuVal therefore promotes student-faculty relationships striving for harmony throughout the school. The result of these high school years may determine tomorrow's future which is in the hands of today's youth.

# Meet Señor

"Hi DuValians! My name is Nelson Pedro Faundez Yevenes. I'm from Talcahuano, Chile. It has been so nice to meet you and spend this great year at DuVal. I will remember all my life this experience, and such a nice thing that the A.F.S. has done for us. I hope somebody will visit my country where everybody is open with their hearts and houses to receive a student. You'll be very welcome there, and you would never forget it."

"I would like to thank everybody in the school for the big help this year that has made possible my stay in the U.S. I'll never forget the nice friends and classmates at the school. I wish the best of luck to you in your studies and future life."

'Let's hold the noise down a little.'—sound familiar? It does in a typical Senior Spur meeting. This is where service projects, dances, and all other senior sponsored activities are discussed. It may be a battlefield for senior rights or a drawing board for senior plans.

Each English class sends a representative, but the meeting is open to all interested Seniors. Among the plans for this year were the senior gift, a symposium, a "tell-all" by college students, service projects, and, of course, the prom.

Joe Henry, President of the Senior class, sometimes wonders at the suggestions made by the members of Spur.

Everybody thinks their idea is best for a Senior Prom theme.

# The Class Of '68

The Junior Class has had an enterprising and successful year. True class and school spirit has been exhibited by conscientious students who faithfully attended Spur Committee meetings and volunteered their services for Junior Class functions. The Class of '68 should be proud of its accomplishments, including the Junior Mixer, the Junior Bake sale, the All DuVal Day booth, the Senior Assembly, and the Junior Prom. Throughout this past year Juniors have diligently prepared themselves to take over as the leaders of DuVal next year.

The Junior Class extends its sincere thanks to its sponsors, Miss Lawn and Mrs. Johnson, for their assistance this year.

The Junior Class was on the go this year, although not always by the most modern means. Seated are Linda Bowley and Mike Encinas. Standing are Eddie Swann and John Andrew.

As the academic load increases, each hard working and conscientious junior strives to keep his head above water.

Juniors Evie De Graff and Captain Nancy Weaver enhance the enthusiasm and effectiveness of the J.V. Cheerleading Squad

# Activities

Activities are also expanding to meet our needs;  
Pulling us away from the familiar,  
Leading us into new and unexplored fields  
Waiting to be conquered  
By students in every organization.

# Sophomore Orientation

After stumbling around DuVal for a few weeks and making the usual underclassmen mistakes, the Sophomores were formally introduced to the school. Administrative officials and guidance counselors were introduced, and they pointed out the ways in which they could help the students, as well as the way the Sophomores could serve the school.

Through skits presented by various organizations and clubs, the Sophomores learned of the many outside activities offered. The singing of the Alma Mater and the fight song capped the program.

Do Sophomores really look like this? Only time will tell as Barbara Lathroum, Tessa Doan, and Fynette Eaton present a satire on the freshmen.

John Andrew lectures on spirit to the Sophomore class.

The cheerleaders wait patiently for their turn to perform for the class of '69.

## It's Academic

Every subject imaginable is covered by this program, and it calls for well-rounded knowledge. Our senior team captain, Barbara Lathroum, aided by the two junior members, Mike Newcity and Bill Haskell, form our hard-working team. Since schools from all areas participate, it takes many hours of preparation to build a successful team. Our first match was on December 4, and we were rewarded with second place in competition against St. Alban's and O'Connell Senior Highs.

## Senior Ring Week '67

The week of September 26 marked Senior Ring Week for the class of '67. Our mighty class started a new tradition by being the first one to receive rings in our Junior year! Even though we received our rings early, this week really spurred us into our new role as the mighty Senior Tigers of '67.

The Senior Mixer was the grand finale to the week's activities. A huge tiger banner and ring replica helped the Senior Court take on the right spirit while the music of the Oxford Reformers and our own folksingers completed the mood.

As the mighty Seniors look on, DuValian Queen Candy Cain is crowned by Editor-in-Chief Jim Morrow.

The Queen and her Court are presented at the mixer. Left to Right: Candy Cameron, Anne Sasaki, Donna Alwine, Vick Alexander, Queen Candy Cain, Dotie Foster, Linda Sammartino, and Margie Michaels.

# Shipwreck Dance

Seasick sailors, pirates, natives, and island castaways—all arrived at 8:00 P.M. Saturday, October 8 to enjoy the 5th annual Shipwreck Dance. This highly successful affair, the first official dance of the school year, was sponsored by the Student Council. "Underwater" was the theme. Dress was wild and casual, and dancing was to the music of the Dynamic Cyclones.

# Homecoming 1966

Homecoming Weekend '66 started with a Pep Rally Friday afternoon. The Pom Poms, Majorettes, and Marching Band gave the team a rousing welcome while the crowd cheered and hoped for a victory.

Friday night, November 4th, students filed through the gates to take seats for one of the coldest, most exciting games of the season. The expectant crowd enjoyed the special pre-game half-time show presented by the Majorettes, Pom Poms, and Marching Band and then settled down to watch some exciting DuVal vs Crossland football.

At halftime, last year's queen Pam Patrick relinquished her crown to a very excited Elaine Lagos as the rest of the court cheered her on. Elaine was chosen by the football team.

The Homecoming Dance, sponsored by the NHS, was held the night of November 5. Couples entered the room through a huge football while the spirit inside was great football, with player drawings on stage and in the room, with the center of the room holding a straw scarecrow. The Court and exerts were presented in a way through the evening and they led the next dance. This Homecoming Dance was certainly a great way to end the football season.

## Christmas Dance

On the night of December 17, Tigers entered the magic world of "Santa's Workshop." This annual dance, sponsored by the Senior Class, is the highlight of the holiday season.

This year DuVal's students played Santa to children from a local orphanage. Couples were asked to bring a small gift to the dance. These presents were placed under two Christmas trees in Santa's shop in the hope of brightening a Christmas morning for some "good little boy or girl."

Meanwhile, couples danced to the music of "Nobody's Children" and joined in the festive spirit of the Workshop. What a great way to start the Christmas season!

Cards and hearts were among decorations of the M.P. room for this year's Sweetheart Dance. One of the most popular events of the year, the Valentine's Dance offers the girls a chance to ask their favorite guy—if she has the courage. Sponsored by the Tri-Hi-Y and the Hi-Y, the dance was held on February 11.

Many couples waited their turn at the Marriage Booth. With Skinny Blancato doing the honors as minister, the newly-weds walked 'down the aisle'.

They also are the keys to the future Varsity Cheerleaders. These eight girls are chosen during spring tryouts on the basis of ability, scholastic standing, coordination, appearance, and whether or not they will be good school representatives.

## DuVal Marching Band

In addition to regular band activities, students may participate in DuVal's marching band. To promote school spirit and march our Tigers on to victory, drum major Joe Jenkins and his crew play at many football and pep rallies. Besides performing as an instrumental unit in itself, the marching band provides the beat for majorette and pom pom routines.

## Madrigals

To perform the best music in the most authentic manner—this is the purpose of the DuVallaires, or the Madrigals. Mrs. Shannon and the thirty-five members try to pass on their love of good music to both those who may perform and those who listen. Madrigals is an extracurricular organization and nowhere in the school will you find a more spirited or talented group.

Mrs. Shannon leads the Madrigals.

## Girls' Chorus

Two outstanding choral groups are the Girls Chorus under the direction of Mrs. Shannon, and the Concert Choir directed by Mr. Nonnemacher. Both groups strive to uphold De Vries fine musical reputation. Music programs are for the benefit of all, but they hope to spark interest in music and the programs offered to incoming students.

There is never a dull moment for the audience with leader Chris Harris adding humorous comments about an upcoming number. This group promotes a great deal of spirit at programs—in school and out. All folk loving Tigers are invited to try-outs in late spring.

# American Field Service

So what's AFS? AFS, or the American Field Service, tries to promote better international relations and understanding through the students of this country and foreign countries. The AFS sponsors both a foreign exchange student and a DuValian hoping for a chance to spend a year overseas. This year's exchange student, Nelson Faundez, is a native of Chile; his counterpart abroad is Evan Parker, a '66 graduate who is now living in Italy. Hopeful candidates for next year's program are Seniors Ruth Lehman and Peggy Ludeman.

The AFS club raises the money for these students, so Peggy Griffith, the president, and other club members sponsor bakesales and other fund-raising projects. One of the most successful projects and certainly the most fun, is the student-teacher basketball game.

Who took my layout? Where's the pictures you promised me? Three times a year, coatroom 9 fills with busy staff workers while sponsor William Rogers and the nine Safari editors slave to finish the yearbook. With a little bit of talent, luck, and hard, hard, work the pictures are found, the pages fall together, and we can proudly present to the student body the completed Safari. The Student Council Executive Committee consists of officers: President Dave Devlin, Vice President Lew Lanham, Corresponding Secretary Kathy Loulan, Recording Secretary Janet Wade, Treasurer Barbara Lathroum, and Parliamentarian Bill Haskell. All of these officers are elected by the student body at the end of the school year. Besides planning the agenda for representative meetings and putting new proposals into some kind of a workable blueprint, the President, backed by the other officers, appoints standing committee chairmen. Although the Student Council is a representative body, the officers provide the communication and coordination between plans of the council and approval of the administration.

The DuVal chapter of the National Honor Society is the highest honor a student can receive in high school. The purpose of this organization is to create an enthusiasm for scholastic achievement, to stimulate a desire to render service, to promote worthy leadership and responsibility and to encourage the development of good character. Besides being an honor group, NHS is also a service organization sponsoring the fall Homecoming Game and Dance and ushering for the graduation of the Senior class. The Honor Society has both a fall and spring induction when Seniors and Juniors who have shown the characteristics of an NHS student, are tapped and recognized for their achievements.

A bit of race for the hand of the fair lady? Not quite as the Latin Club members receive their first Roman lesson at Language night.

The Latin Club consists of two consuls, Ben Robertson and Karen Minick, and members of the Latin classes who are interested in learning more about the Greco-Roman heritage.

Through various activities such as the Saturnalia students get acquainted with ancient Roman customs and Greek ceremonies. Sponsored by Mrs. Knox, these romanized DuValians are able to hear a lecture on Myths of the Sky and attend the state Junior Classical League. The biggest event of the year is the popular Roman Banquet. Proper patricians can use their plebian pals for slaves in the MP banquet hall.

The Deutsche that make up the German Club are really loyal DuValians with a hearty interest in the German language. President Bill Haskell and the other officers arrange activities having to do with the German culture for which there is not time in regular class hours. These activities include movies and slides, trips to a German restaurant and a county-wide Faschings Dance. One of the most popular and profitable activities is the "Drinking Booth" maintained on All DuVal Day.

A typical day at DuVal? No, the scene is a new German Club production of the famous tale Hansel & Gretel.

President Elsa Torres, Sec. Kathy Mealy and Treas. Betty Rice are hoping to raise money, through bake sales, car washes, and their project for all DuVal Day, to send a student to Mexico during the summer. A new chapter of the National organization now formally established as the National Spanish Honor Society has been included in DuVal's honorary groups. The purpose of the Society is to recognize high achievement in Spanish by students of a secondary school who will promote a continual interest in Hispanic studies.

## Geology Club

It looks easy enough to climb a mountain but just try it some time. The Geology Club members do, besides exploring underground caves. These amateur spelunkers use their weekends to further their valiant skill and talent, and all have a great time doing it.

An earned breather for the tired members of the Geology Club

What if the rope breaks? By Paul Kahne's confident smile, nothing will happen.

## Future Homemakers of America

FHA, the Future Homemakers of America has a very useful goal for its members—to gain extra knowledge of cooking, sewing, home decorating, child care, and home economy. Besides holding their own installation and banquet, F.H.A. members serve for various faculty teas and school sponsored banquets. Sponsored by Mrs. Stephens and Mrs. Shegogue, the club is open to any interested Home Economics' Student.

New members of the F.H.A. are inducted into the club.

The Future Teachers of America is a club organized to help interested students learn more about the teaching profession. One of the most interesting projects, and the most rewarding for the members, is the experience of practice teaching. During April, Teaching Career Month, students observe or teach at either DuVal or a nearby elementary school.

By raising money for Ship Hope and various nursing homes, the Health Careers Club interests students in both personal and community health. The scholarship fund also encourages members to find out what careers are offered and to help them decide wisely about health professions. The girls are informed by speakers, movies, and trips to area hospitals on the new developments in the field of medicine.

# Public Address

*Sitting:* Debbie Steele, Ginny Holmes, Anne Poland *Standing:* Mrs. Beveridge, Glenn Hanes, Andrea Long, Mike Flannagan

Good Morning, Faculty and Students—so we have one of the most helpful services in the school, the Public Address. Sponsored by Mrs. Beveridge, "the Box" is a means of communicating both information and publicity to the faculty and student body.

DuVal's fourth issue of the Literary Magazine was organized and published by the student staff with the best pieces chosen by a committee of teachers and students. Material comes from both English and Advanced Composition classes but students are urged to submit any good independent writing done on free time.

## Flower Making

"Aren't those flowers beautiful?" Of course they are! And the credit goes to the Flower Making Club under Mrs. Manchak. They are called on to supply these lovely bouquets for teas and inductions, such as the Quill and Scroll. These students do a great job; and, while furthering their own interests, they provide a needed service to the school.

# Handbook

*Sitting:* Bonnie Bowers, Maureen Moore, Ruth Lehman, Marianne Scheak, Mrs. Beveridge, Barbara Lathroun. *Standing:* Sharon Miller, Bill Haskell, Becky Shrake, Carol Becker, Dave Devlin, Janet Wade, Nancy Weaver.

Everyone is familiar with that little orange book—you know, the one that the sophomores hold in front of their noses for the first month of school. Well, this is the Handbook, sponsored by the Student Council and organized by interested students. Besides it being the unofficial sophomore guide, it is a welcome friend to all juniors and seniors because it contains valuable information on traditions, policies, and organizations. Every student receives a new copy on the first day of school and uses it as a guide throughout the school year.

## Math Club

The Math Club, though small in quantity, is high in quality. This group, sponsored by Mrs. Liard, strives to learn more about math as a subject and to further their own skills and interests in math and related sciences.

## Debate Teams

Through long hours of study and practice, DuVal's Debate Team has made quite a reputation for itself. Although the team is only two years old, many members are quite well traveled; the team competes in tournaments at Johns Hopkins University, University of Pittsburgh in Pennsylvania, Columbia University in New York, and Eastern Nazarene College in Massachusetts. Mr. Ward and his debaters try to promote inter-school competition in debate and other speaking events. They also sponsor the Forensic League, a national honor society.

Mike Belton races 78 yards to the DuVal's end zone in the second play of the John Carroll game

#### JOHN CARROLL 19-6

The Carroll Lions were too powerful for the defending champs. A pass from Frank Fillman enabled Mike Belton to gain 114 yards for DuVal's only touchdown in their first play of the game. The Lion's defense held strong while their offense wrapped up a 19-6 score at the game's end

#### DU'VAL 27-6

Our Tigers rolled over Sutland for their first victory in Prince George's A.A. League game. Mike Belton once again, with a 12 yard run, captures the first of four touchdowns before the half in our defense's greatest showing yet. Wayne Schmidt carried 41 for the second score with Chris Harwood running 3 and Richard Blancato running 1 for the victory which coasted over the Rams

Wayne Schmidt, on the 25 yard line, catches the ball only to be blocked by a Sutland Ram

#### HIGH POINT 20-13

In the opening game of league play, DuVal rallied to hold the Eagles in each of the first two periods; but half-time held the Eagles in a 14-0 margin over the defending champs. Our Tigers returned for a successful touchdown when Rick Heflin retrieved an Eagle fumble for a 5 yard run into DuVal's end zone. Another touchdown in the last quarter just wasn't enough to gain on the Eagles for DuVal's first upset

DuVal's offense line-up awaits the results of the first kickoff along the sidelines of the Oxon Hill game  
Frank Fillman, Rick Heflin, Roger Bort, John Ferguson, Jeff Synan

Bob Anderson Thomas Gries Dave Cowley

#### ST. JOHN'S 12-0

The Cadets marched off with DuVal's biggest upset of the season. DuVal's biggest threat came in the second quarter at St. John's 12 when Tiger Frank Fillman carried 41 and 23 yards as the Tigers moved from their own 21 yard line. Their defense held up to zero scoreage while our offense rallied endlessly to hold the powerful Cadets in a hopeless battle.

Frank Fillman holds dear thoughts of victory at the half of the St. John's game

#### OXON HILL 25-12

This was the Clipper's first win over the Mighty Tigers since 1961. They built a lead of 19-0 at the end of the second period while DuValians watched with hopes of victory as our Frank Fillman ran 65 yards for one of DuVal's touchdowns, and passing 57 yards to Wayne Schmidt for the other. This was the Tiger's second loss in league play with their fourth setback in five games—but DuValians knew our Mighty Tigers would give extra effort in the next, all important Northwestern game.

#### NORTHWESTERN 33-6

Our Tigers just didn't have enough of steam as the Northwestern Wildcats ran five touchdowns with extra points to overcome the Tigers in their second upset of the season. After an attempted Wildcat interception, Wayne Schmidt proves true with the Tiger's ball on the 20 yard line. On the next play, Wayne again performs in the Tiger tradition for our only touchdown of the game.

Jeff Synan gains yardage against Northwestern

Coach Butkus and quarterback Frank Fillman during the second half of the heated battle against Bladensburg

#### CROSSLAND 28-13

Once again DUVALIAN'S HOMECOMING game was lost but this year's Tigers fought with dignity against Crossland's undefeated Cavaliers. With our defense holding the lines and our mighty offense scoring, the Tigers lashed out a 7-14 half time score. Being behind didn't hinder their spirit any as the final score rang out a Crossland victory. But what a game our fellows played . . .

#### DUVAL--BLADENSBURG 12-12

At DuVal's rival game the Tigers once again proved mighty, holding the Mustangs several times. With a twelve to zero lead at the half, our touchdowns were made by Frank Fillman. During the second half the Mustangs ripped through our defense for the touchdowns to tie the score. For the last two years Bladensburg has beaten our Tigers at our own Homecoming; and this year our Tigers tied the Mustangs for a backlash at their Homecoming Great game guys

Due to the loss of all but one letterman from last year's squad, the 1966 Cross Country team had a very rough season. Finishing 5th in Prince George's County, and building a new squad, we have hopes of being number "1" next year

Ken Umbarger, and Chris Carman pull ahead at the half-way point.

# Basketball

With eleven strong seniors on the ball squad, the Varsity team hustled to win 9 out of 14 games. Our Tigers had a dramatic season with several of the most exciting games in the county. To end a terrific season the squad finished, in third place standing, losing their last game to High Point with a difference of one point.

Coach Borowitz gives his team a pep talk during a timeout.

Thomas Giles goes up for another two points to rip open Mustang's press. He waited, 91-79 over Bladensburg.

Alvin Nelson aids our Tigers in a 67-63 victory over the Mustangs.

254 Bob Christy dribbles in for a good opening. Bob was a real asset to the squad when he returned in the starting line-up.

Al Nuzzo aims way for a two pointer during a home game against Badensburg

Dor Keno gets the rebound after a Mustang shoots.

## Rifle Team

The 1965-1966 Rifle Team placed second in the County Matches. With five returning marksmen the Rifle Team is strong and is hoping for a good season.

Pierpont, Pierpont, Thomas Dixon, Ken Kelly, James Holloway, Pierpont, Ken Kelly

1967 TEAM PROSPECTS: *Back Row:* Steve Walker, Pat Miller, Mike Ollis, Steve Harty, Rick Criswell. *Front Row:* Coach Mr. Daly Wolfe, Steve Desmond, John Buttner, Wayne Truesdell, Garry Myres.

# Golf

The golf team, while placing third in last year's county championships has higher hopes for this year's team with four returning lettermen and many good underclassmen prospects.

Tim Bowie is just off the green and has the ball out of the sand trap.

RETURNING SENIOR LETTERMEN: Wayne Truesdell, Steve Desmond, John Buttner, Charles Bowie

*1st Row: Ronnie Byer, Tom Hagwood, Ron Tilley, Rick Turner, Gary Powell, Dan Marsh, Jim Passagno, Roy Forman, Dave Thorp, John Beall. 2nd: Mr. Jarman, Mr. Hunk, Ken Sees, Ron Draxton, Mike Foster, Ben Robertson, Gary Swenson, Craig Rodgers, Art Jones, Ken Selby, Dave Schweisow.*

## Tennis

From the team of 1966 only one senior and one junior return this year, giving the team an advantage of fewer seniors than last year. A possible addition of new courts will also enable us to hold more matches at DuVal.

*Prospective Players: Front row, Chris Harwood, Ricky Brown, Jim Manley, Joe Manley. Back row, L. to R. Gary Kutsch, Ken Derenberger, Jim Morrow, Joe Clark.*

*Herb Wallace swings for a hit.*

Row 1 (Left to right) Jim Fletcher, Fred Tavel, Bob Green, Steve Hulingsworth, Jim Clear, Tom Thomas, Greg Hogan, Barney Leclercq. Row 2: Steve Blank, Wayne Schmidt, Frank Flinn, Bob Parker, Larry Frye, Jim Bohak, Herbie Wallace, Terry Dameron, Mr. Borowitz. Row 3: Coach Mr. Redmiles, Mr. Tucker, Rick Herlin, Ray Snaby, Ronnie Thornton, Jeff Syman, Alvin Nuzzo, Barry Portch, Mr. Ogburn. Row 4: Jim Elder, Bill Brackney, Wayne Christensen.

## "66" Baseball

Top: Coach James Elder, Wayne Christensen, Paul Opperman, Bill Brackney. Bottom: Mr. Ogburn, Mr. Borowitz, Mr. Tucker, (head coach) Mr. Redmiles.

## Second Place DuVal Has Great 1966 Season

Placing second in the county, DuVal has eleven ball players returning to assist the team in winning another season. Last year the team showed sportsmanship and all around agility in their uniforms and the seniors this season will prove a greater asset and strengthen the 1966-1967 Varsity Baseball Team to another victory.

# FROM THE STAFF . . .

The 1966-67 SAFARI staff would like to take this page to express our thanks to the administration for the assistance and support which has made it possible to produce this yearbook. Also special thanks go to the photography staff for their effort, and members of the faculty for their cooperation, especially around deadlines. The staff would especially like to thank Mr. Rogers for the many hours of his time that he has spent working with them, and for his unlimited patience.

Putting out a yearbook is a tremendous job. The staff has tried to assemble a yearbook that will please everyone—not only the students, but also the faculty and administration. We hope that we have succeeded.

We come to the end of the 67' activities and in our yearbook we hope we have captured the essence of our school spirit and imprinted special memories for every DuValian.

I would like to express for myself and my staff our appreciation and heartiest thanks to all who have helped throughout the year.

My personal thanks goes to Mr. Rogers who has given so much time and consideration to the production of the yearbook — to Mr. Kern who has given his support to the Business Staff — Mr. Collinson, our publisher's representative, who has given us technical advice — to senior members of the photography staff, Charles Chamberlain, Pete Helwig, Bert Goulart, Lloyd Moroughan, and other members who have worked during and after school to give us good pictures . . . and of course to my wonderful and competent staff: Ann Killion, Clint Felts, Barbara York, Lynne Jernberg, Diane Jenkins, Ruth Lehman, Pat Browder, Janet Kube, Mady Helme, Erna Singer, Brenda Clements, Linda Wheeler, and Kitty Edens.

May I say as my final words "best of wishes to the Class of 67." We have gone through a hard year. We have had a lot of fun. Venimus, vidimus, vicimus — "We came, we saw we conquered."

As Cubs, DuVal was the key to a new outlook  
Which developed our present thoughts and actions;  
As Tigers, we are now ready to face new horizons,  
Better prepared through DuVal's expansion process.

Give, a new  
 four a new  
 that to find out a  
 your Dr. year. Just  
 think of what ya missed  
 ya know, it make me sick  
 to think of what ya missed! Oh.  
 well, some people have all the luck.  
 Have fun next year as an upperclassman  
 Love

have  
year as a  
July 1st 1877

I hope we will be  
 able to get out of  
 this place with the  
 same old hands.
